740 Original Dolphin Painting by "Panama"

"Panama" is one of Clearwater Marine Aquarium's oldest residents and surrogate mother to "Winter," another well-known Atlantic bottlenose dolphin. Painting serves as enrichment to her daily activities and is done by holding a brush in her mouth and moving her head side to side. The matting around her photo was painted in January 2010. The trainer selected colors which matched the colors in the photo. This one-of-a-kind original artwork will make a great conversation piece in any home.

Donors: Clearwater Marine Aquarium

Value: \$ 100
