**Financial donations are always appropriate and helpful.**

The holidays are a good time to make a gift in honor or memory of someone or a special event.  
Call Debbie Sokolov, Director of Development, at 727-821-1200 ext. 110 for more information.

**Does the Free Clinic have an adopt-a-family program?**

The Free Clinic does not have a formal adopt-a-family program. We do need help, however, providing food for families, and gifts for men and women in our shelters, as well as for families and children who come to our We Help Services program.

**Do you accept toys for children at the holidays?**

Families who are in need of toys are referred to other programs in the community who offer these services. the Free Clinic does distribute some toys for children when the family has come to the We Help Services program for other needs such as help paying a bill, groceries, or referral information. We would be happy to accept donations of *non-wrapped new toys* for young children and appropriate gifts for teenagers.

**Please remember the Health Center this holiday season**

The Health Center needs peanut butter cracker packages and individual servings of orange juice for diabetic patients, ibuprofen, 81 mg aspirin, antifungal cream, antibiotic cream, and alcohol free cough syrup

**THANK YOU VERY MUCH FOR YOUR INTEREST AND HELP.**

**We are able to provide these services during the holiday season because of your generosity.**
